TEACHING ARRANGEMENTS

Teaching Method: Online live streaming Chinese courses and guest lectures
Platform and Application: Zoom, WeChat

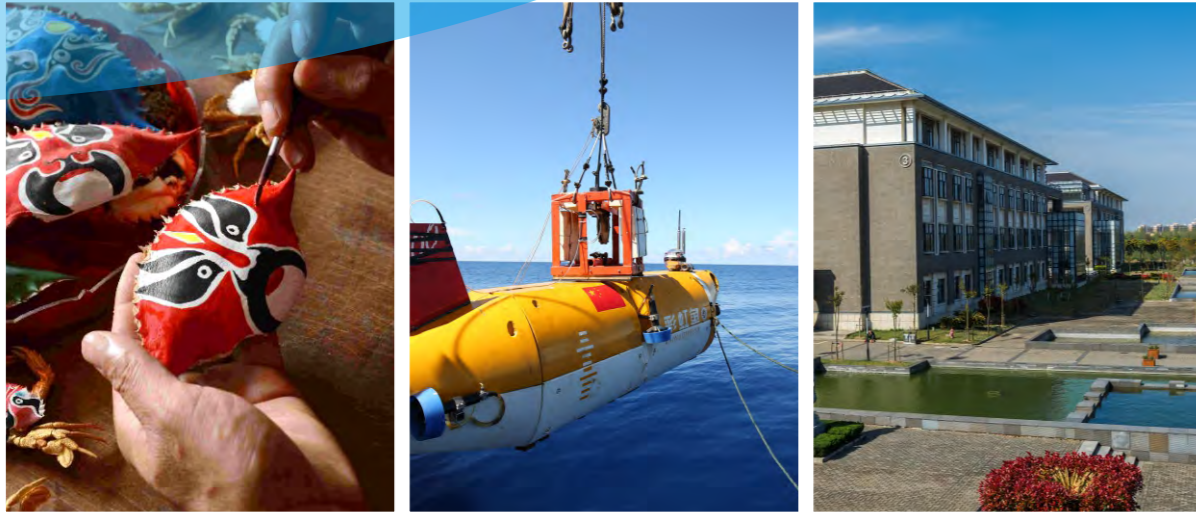

Chinese Classes

Practical Oral Chinese courses will improve listening and speaking abilities in a short period of time. During the course, students will learn to:

1. Paint a piece of Chinese painting
2. Write a piece of Chinese Calligraphy
3. Sing a Chinese song
4. Recite a Chinese poem
5. Give a short introduction in Chinese

Excellent work will be exhibited at the end of the program.

Chinese Marine Culture Activities

Teachers from College of Marine Culture and Law will give professional courses on “Chinese Calligraphy”, “Chinese Seal Cutting”, “Chinese Zither Music”, “Paintings on Crab Shell”, “Chinese Ocean Music”, “Tidal Water Culture”, “The God of the Sea” to take a glance at the mysterious marine culture of China. Special guest speakers are invited to enhance the depth of the lectures.

Apart from lectures, we will offer online visits to Marine-related venues in Shanghai, such as exploration to China Maritime Museum, Shanghai HaiChang Ocean Park, and online visits to our scientific practice base like Shanghai Ocean University Pelagic Fishery Resources Research Vessel, Aquaculture&Marine Science Laboratories to know different fish species.
