Suggestions on Course Selection

1. For exchange students, SHOU offers Chinese language course, Chinese-taught Academy courses and English-taught Academy courses.
2. First, please read the SHOU Fact-sheet of Exchange program carefully, consult your home university about the required credits, course selection and the credit-transfer, and decide what kind of courses you will take at SHOU.
3. All exchange students are suggested to learn Chinese for a better involvement in the study and life here in Shanghai, especially who are majored in Chinese language at home institute, or those who need to learn mainly/intensively the Chinese language, should select Chinese language Program.
4. Students who intend to take Chinese or English taught Academy courses in professional college, please consult with us to get course list and description in detail. To select courses at professional college, please follow your home university's requirements to select 2 to 3 Academy courses.
5. When filling in the application form, please state your study plan and make preliminary course selection based on your home university's requirements. On enrollment day, course adjustments are allowed to do. The final course selection and the credits will be confirmed during the first week.
